and oxygenation of the skin

REMOVES even
WATERPROOF MAKE-UP

Material:
MICROFIBER MATERIAL

The Face Glove is a simple and pleasant way to cleanse and refresh your skin.

The Face Glove is durable and reusable. It works using only water, so it does not contribute to environmental pollution or excessive waste production.

Use it on your face, neck and décolleté - where your skin can be sensitive and where it needs tender care.

DOES NOT DAMAGES
the hydrolipid barrier

REPLACES cotton pads
and makeup removal wipes

EASY TO CARE FOR – just rinse
after use in water with added soap
with nanosilver, and wash from time
to time in concentrated washing
liquid (concentrated washing liquid
with nanosilver)

**DERMATOLOGICALLY
TESTED**

E F F E C T O F U S E

- During washing (with just water) it massages the skin, stimulating circulation and removing dead skin. Thanks to this, the complexion becomes smooth, firm and radiant.
- Face Glove is an ideal addition to daily skin care, ensuring its cleanliness, freshness and healthy appearance. In addition, the massage that accompanies washing has a relaxing effect, which promotes calmness and well-being.

H O W T O U S E

- Place the moistened Face Glove on your face. Gently massage your skin in circular motions.
- In case of heavy or waterproof makeup, hold the glove on your face for a moment to dissolve the makeup.
- Avoid excessive rubbing and prolonged massaging in one area.
- After washing, apply Golden Ray cream, Ritual Day Cream or Ritual Night Cream to fully nourish your skin.
