

GOLDEN RAY

FACE CREAM

ALL SKIN TYPE

DEEPLY MOISTURIZED SKIN

STRONGLY REGENERATES,
rebuilds and has anti-wrinkle effects

Capacity: 50ml

GoldenRay Raypath Cream is a cosmetic with a deeply regenerating effect that offers many benefits for the skin. The cream intensively moisturizes and regenerates the skin, restoring its healthy appearance.

Regular use of the cream helps reduce the visibility of wrinkles and facial lines, improving the elasticity and firmness of the skin. Additionally, the antioxidant effect of the cream protects the skin from the harmful effects of free radicals, which contributes to delaying the skin's aging processes. GoldenRay Cream is an ideal solution for people looking for comprehensive skin care that will nourish, strengthen and restore its natural beauty.

USE AND APPLICATION

To take care of the health and beauty of your facial skin, it is important to first thoroughly cleanse it. You can use FACE GLOVE or FACE CLEANER to help remove impurities and prepare the skin for further action. Then, reach for the GOLDENRAY CREAM and apply it to the skin, gently massaging it in with circular movements. This will allow the product to be better absorbed, and your skin will be moisturized, nourished and radiant.

Remember that regular cleansing of the skin before applying the cream is crucial to achieving the best care effects.

ACTIVE INGREDIENTS

- **SYN@COL** - improves skin elasticity and firmness, reduces wrinkles and facial lines,
- **HYALURONIC ACID** - moisturizes the skin, prevents moisture loss and improves its elasticity,
- **ELASTIN** - responsible for skin elasticity, prevents it from sagging and aging,
- **CENTELLA ASIATICA** - has anti-inflammatory properties and accelerates wound healing, improves skin condition,
- **CALCIUM, COPPER, SILICON** - minerals supporting skin regeneration processes, improving its structure and appearance,
- **INULIN** - moisturizes and nourishes the skin, improves its condition and appearance.
